Subject: MMA – Certified Program: Reaffirmation

Dear Mr. Paxton,

I have reviewed our Demag Cranes and Components MMA products and there has not been a significant design change to the product or product family of like design. At this time, Demag Cranes and Components wishes to reaffirm our product and respectfully requests recertification be awarded in the MMA Certified program.

Per your request, a Proof of Adequate Product Liability Insurance form has been attached to this document.

A handwritten signature in blue ink that reads "Craig Aszkler".
