

Storage Manufacturers Association (SMA) members are the Industry's leading suppliers of industrial storage equipment. They supply storage solutions worldwide in virtually every major manufacturing and distribution sector.

## WHY CHOOSE SMA?

SMA members are committed to safety, innovation and providing the right solution to ensure peak performance.

SMA industry leaders develop, maintain and publish accredited ANSI standards for design, performance and safe operation of work platforms and shelving products.

## WHY STORAGE SOLUTIONS ARE A GREAT INVESTMENT

### SPACE FOR LESS

Work Platforms expand your facility's space at a **FRACTION** of the cost of building new!

### MAXIMIZE EXISTING SPACE

Boltless Shelving maximizes your existing space - installation is typically **30 - 40% less cost** than traditional metal shelving

## SMA MEMBERS

Committed to providing education, market intelligence, and standards that promote safe and efficient designs to the work platform & shelving industry.

### COMBINED EXPERIENCE

**1,000s**

Access to the combined knowledge/experience from thousands of installed systems.

### EXPERTISE & INNOVATION

**14**

Learn from the world's leading storage equipment manufacturers.

### RESOURCES

**100s**

Take advantage of hundreds of online resources and networking with other members.

# STORAGE SOLUTION BENEFITS

## Shelving

- Boltless Shelving units
- No Tools Required, Quick Easy Assembly
- Unlimited Flexibility, Uninterrupted Spans Up to 96"
- Maximize Existing Square Footage Economically
- Installation Costs are 30-40% Lower Than Standard Metal Shelving
- Customizable, Easy to Modify into Countless Storage Configurations

## Industrial Steel Work Platform (formally mezzanine)

- Flexible in Design Configuration and Use
- Minimal Disruption During Installation
- Accelerated Tax Depreciation
- Gain Additional Space at a Fraction of the Cost
- Integrates Easily with Other Warehouse Operations

## SMA OFFERS MEMBERS RESOURCES SUCH AS:

- Storage Solutions - 14 companies, 100s of technologies
- Case studies - real problems and real solutions
- Videos - free educational videos
- Large library of equipment images and content
- Trends, blog posts, and news articles
- Checklists
- Industry standards, guidelines, and best practices
- Expert speakers and presentations
- Consultative services
- 100s of FREE industry best practice resources

SMA can give you the tools to maximize your facility space and potential, and to create a better and more efficient work environment.

SMA offers assistance if you are looking to purchase storage equipment, seeking industry-based research, or guidance.

Call, email, or visit [www.mhi.org/sma](http://www.mhi.org/sma) today to find out more about storage equipment and how SMA can help you to make the best choices for your business.
