

CONTAINER OPTIONS for every need

Each business has its specific needs for the storage, security, and movement of product. When it comes to containers, we offer a vast array of options to choose from, so that we can tailor a solution to your unique requirements.

As the industry leader we offer more than just size options:

- UDL capacity from 1000 lbs up to 4000 lbs.
- Zinc plated or galvanized finishes provide optimal corrosion resistance.
- Four-way entry for lift trucks.
- Half drop gates allow for easy access to product.
- Collapsible design for efficient transport and easy storage when not in use.
- Stackable feet provide opportunities to elevate product and free up valuable floor space.

Why Choose Nashville Wire?

We are the industry leading producer of the highest quality wire decking and storage solutions used across a diverse range of warehouses and distribution centers nationally.

Thousands of fulfillment facilities across North America touch millions of products every day. With our help they optimize their operations, resulting in reduced costs to retailers and, in turn, consumers.

At our state-of-the art production facilities located across North America, we build the highest quality solutions that deliver improved labor efficiency, optimized space utilization, safety, and durability in every client program.

FOLDING WIRE Containers

HEAVY DUTY

Designed with a **heavy-duty** base for long life cycles, these folding containers feature four latch bolts for quick assembly and include a half-drop gate on the long side. When fully loaded, they stack up to four high.

JUNIOR

Similar to the heavy container, the **Junior** offers a clean method of storage that allows for quick visual inventory inspection. This container's tighter mesh pattern is ideal for holding small items securely.

Container ACCESSORIES

Additional Options:
Runner Bars, ID Plates

SECURITY LID

DIVIDERS

CASTORS

FOLDING WIRE CONTAINERS SPEC CHART

Part #	Size (W x L x H)
C324028S4	32" x 40" x 28"
