PROPICK SERIES PICKING CARTS

THE ULTIMATE PICKING CARTS FOR CLICK AND COLLECT

The latest carts from Cannon Equipment are the ultimate in picking convenience, speed and efficiency. Designed specifically for click and collect fulfillment, these carts feature a low-profile design that doesn't obstruct operator sightlines - so it's perfect for grocery and retail spaces. A high tote capacity, and design that makes totes accessible from both sides of the cart allows faster multi-order picking for better efficiency and product protection. These carts can be configured for a variety of attachments to keep operators organized and adds to the ease of use.
