BETTER BUILT STRONGER BUILT PANEL BUILT

All Panel Built prefab stairs, metal railing and components are engineered, fabricated and powder coated at our plant for a lasting finish and fast delivery. Each metal stair system is manufactured to your specification allowing for various sizes, heights and specialty metal hand rail that meets OSHA and IBC codes.

Standard Stair Options:

- IBC or OSHA
- Grip- Strut grating or concrete treads
- Galvanized steel
- Extra wide treads
- Picket railings
- Lexan/ Plexi-glass railings

Custom Options are also available including mobile stair systems, alternating treads, and multiple landing options.
