

STOR-MORE® Modular Locker System

IN STOCK

Standard parts are stocked in-house for fast shipping when you need it.

FLEXIBLE CONFIGURATION

Lockers are available in single and double tier configurations, and can be combined to fit a variety of spaces.

EASY INSTALL

Panels are pre-punched for easy assembly and relocation with standard hand tools. Units can be bolted to the floor or to the wall.

CAD SUPPORT

A team of designers support your planning process with CAD so you can visualize how different Locker configurations serve your space.
