1 Year Warranty

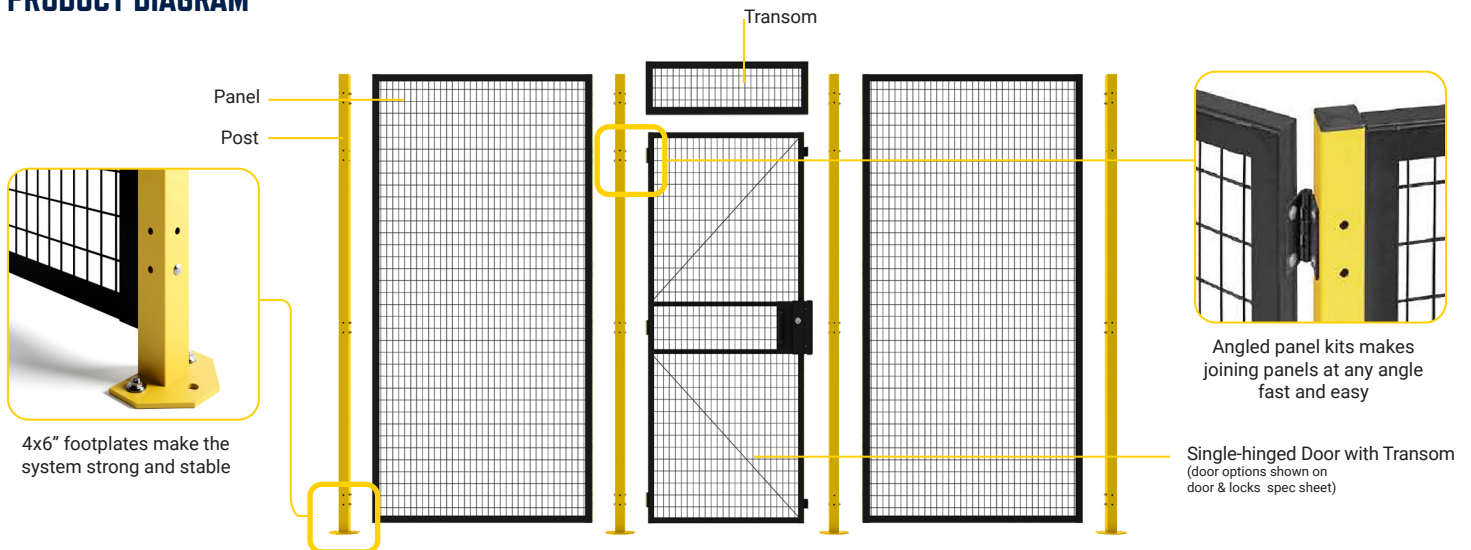

WHY SAF-T-FENCE?

Protect your people from accidents and your business from costly fines. Saf-T-Fence® panel systems from Folding Guard protects your staff, and lowers your cost of doing business by maintaining productivity and reducing downtime. The mesh pattern allows for full air circulation and visibility with no change to your lighting or heating systems required.

This modular system consists of three system heights, multiple styles of doors and over 30 prefabricated wire mesh panel sizes. All pieces assemble and install precisely and easily. You'll enjoy worker safety, less downtime, and compliance with federal safety regulations when you use Saf-T-Fence® to fulfill your guarding needs.
