

# ADVANCED MOTIVE POWER SOLUTIONS

With decades of motive power experience and innovation, HAWKER® offers the industry's broadest range of products and experts to turn our solutions into real cost savings for your operation.

## SINGLE-SOURCE SOLUTIONS

By manufacturing both batteries and chargers, HAWKER® is well equipped to assess and design complete power solutions to enhance each customer's operation.

## BATTERY SOLUTIONS

HAWKER® offers the broadest line of flooded, advanced TPPL (Thin Plate Pure Lead) and Lithium Ion motive power battery chemistries, to provide power solutions for controlling and delivering the lowest total cost of ownership.

## MODULAR CHARGER SOLUTIONS

Backed by more than 30 years of high-frequency, smart charging experience, the HAWKER® innovative modular chargers deliver proven power, advanced scalability, improved efficiency, maximum flexibility, and simplified service.

## ADVANCED MONITORING SOLUTIONS

HAWKER® develops customized monitoring and fleet management solutions using a variety of diagnostic tools and reports to streamline customers' fleets and effectively manage their battery charging operation.

## STRONG DEALER NETWORK & SUPPORT

HAWKER® has an extensive network of factory-trained Authorized Sales & Service Representatives who serve customer needs by offering on-site training, technical support, product inventory, and scheduled maintenance programs.

## POWER ASSESSMENT SOLUTIONS

HAWKER® offers an exclusive on-site Harness the Power Assessment™ that is performed to analyze customer operations and provide specific, customized solutions to improve material handling productivity.
