

WE ARE YOUR SERVICE COMPANY

HOOSIER CRANE SERVICE COMPANY

SERVICE AT THE HEART OF BUSINESS

There's a reason the word service is in our name. Since we started in 2002, we have made exceptional service our priority. With our team of qualified service technicians, we are ready to meet all your crane and hoist needs.

24/7 EMERGENCY ON-SITE SERVICE

We are industry leaders in providing fast, quality emergency overhead crane service. Your cranes and hoists are essential to your company, and we will do our best to save you from unnecessary downtime.

SERVICE COMPANY

OUR SERVICES

SCHEDULED SERVICE & MAINTENANCE

Our experienced service technicians are prepared to repair all makes and models of overhead cranes and hoists. We will work around your schedule to keep your equipment running smoothly.

CRANE MODERNIZATION & UPGRADES

As technology improves and your needs change, Hoosier Crane is here to extend the life of your overhead crane. Whether through upgrading a hoist, extending a runway, or adding a Variable Frequency Drive to an existing crane, we are here to help.

INSPECTIONS

Inspections are key to maintaining OSHA compliance and keeping your operation running smoothly. We use a fully digital program with OSHA standards built in to generate professional inspection reports and competitive repair quotes.

WARRANTY REPAIR

We are a warranty center for every brand we carry. This means we can fulfill any of your warranty claims locally, rather than sending your part back to the manufacturer to save you time and money.
