

OZ LIFTING PRODUCTS[®]

OZ LIFTING TELE-PRO

OZ LIFTING ALUMI-LITE

OZ LIFTING COMPOZITE

OZ LIFTING COMPOZITE-ELITE

OZ LIFTING STEEL DAVIT

OZ LIFTING WHEEL BASE

OZ LIFTING XR SERIES

OZ LIFTING PREMIUM

OZ LIFTING ELECTRIC SERIES

OZ LIFTING INDUSTRIAL

OZ LIFTING STAINLESS SERIES

OZ LIFTING FALL PROTECTION

OZ LIFTING CLAMPS & TROLLEYS

OZ LIFTING DYNO-HOIST

OZ LIFTING SPARK RESISTANT SERIES

TELE-PRO® DAVIT CRANE 500 lb., 1200 lb. and 2500 lb. Capacity

- Telescoping boom adjusts while under load
- Patented design
- Manual & electric winch options
- Individual test certificates & serial numbers

COMPOZITE® DAVIT CRANE 1200 lb. Capacity

- Made of lightweight advanced composite material, about 40% lighter than steel
- Crane weight of 73 lb. (excluding winch & base)
- Patented design
- Manual & electric winch options
- Individual test certificates & serial numbers

COMPOZITE ELITE® DAVIT CRANE 1200 lb. Capacity

- Made of ultra-lightweight carbon fiber
- Crane weight of 31 lb. (excluding winch & base)
- Manual & electric winch options
- Individual test certificates & serial numbers

STEEL DAVIT CRANE 500 lb., 1000 lb. and 2500 lb. Capacity

- Durable steel construction with zinc-plated finish for added corrosion protection
- Manual & electric winch options
- Individual test certificates & serial numbers

OZ LIFTING ALUMI-LITE

ALUMI-LITE® DAVIT CRANES 500 lb. and 1000 lb. Capacity

- Lightweight aerospace-grade aluminum construction
- 500 lb. capacity model weighs 27 lb., 1000 lb. capacity model weighs 47 lb.
- Durable powder-coat finish
- Manual & electric winch options
- Individual test certificates & serial numbers

OZ LIFTING XR SERIES

XR SERIES DAVIT CRANES 500 lb. and 1000 lb. Capacity

- Maximum 62-inch reach and 87-inch hook height (both models)
- Maintains maximum weight capacity in all positions
- Durable steel construction with powder-coat finish
- Manual & electric winch options
- Individual test certificates & serial numbers

OZ LIFTING PRODUCTS

OZ LIFTING PRODUCTS

OZ LIFTING WHEEL BASE

WHEEL BASE

- Industrial-strength steel construction with a durable powder-coat finish
- Patent-pending floor-anchoring system allows the davit to rotate while under load (when base is not anchored the davit must remain in a forward position when lifting)
- Durable polyurethane-tread indoor/outdoor wheels with rear swivel casters, ensuring smooth mobility and adaptability to various workspaces
- Rear casters feature a lock brake for enhanced safety and stability when needed
- Forklift pockets (for transporting only)
- Compatible with all OZ Lifting davit cranes up to 1200 lb. capacity

OZ LIFTING PRODUCTS

PREMIUM LEVER & CHAIN HOISTS

Lever Hoists

0.75, 1.5, 3, 6, & 9T Capacity

Chain Hoists

0.5, 1, 1.5, 2, 3, 5, 10, 20, & 30T Capacity

- Standard overload protection
- All-steel construction with powder-coated finish
- Individual test certificates & serial numbers

INDUSTRIAL LEVER & CHAIN HOISTS

Lever Hoists

0.25, 0.75, 1.5, 3, 6, & 9T Capacity

Chain Hoists

0.25, 0.5, 1, 2, 3, & 5T Capacity

- All-steel construction
- Individual test certificates & serial numbers

ELECTRIC SERIES

Electric Chain Hoists

500, 1000, 2000 & 4000 lb. Capacity

Electric Builder's Hoists

500 & 1000 lb. Capacity

- 115V power
- Lightweight aluminum construction
- Dual braking system
- Individual test certificates & serial numbers

STAINLESS STEEL SERIES

Lever Hoists

0.25, 0.75, 1.5, & 3T Capacity

Chain Hoists

0.25, 0.5, 1, 2, 3, & 5T Capacity

Push Beam Trolleys

0.25, 0.5, 1, 2, 3, & 5T Capacity

Beam Clamps

1, 2, 3, & 5T Capacity

Brake Winches

1000, 1500, 2000 lb. Capacity

- Stainless Steel Type 304 construction for corrosion-resistance
- Individual test certificates & serial numbers

OZ LIFTING FALL PROTECTION

FALL PROTECTION BEAM CLAMPS & TROLLEYS

USA Beam Clamp

1, 2, 3, 5, & 10T Capacity

USA Push Beam Trolley

0.5 & 1T Capacity

- Meets OSHA standards for fall protection
- All-steel construction with zinc-plated finish for added corrosion protection
- Individual test certificates & serial numbers
- Patented design

OZ LIFTING
PRODUCTS

OZ LIFTING CLAMPS & TROLLEYS

BEAM CLAMPS & TROLLEYS

USA Beam Clamp

1, 2, 3, 5, & 10T Capacity

USA Push Beam Trolley

0.5, 1, 2, & 3T Capacity

Beam Clamp

1, 2, 3, 5, & 10T Capacity

Push Beam Trolley

0.25, 0.5, 1, 2, 3, 5 & 10T Capacity

Quick Adjust Trolley

0.5, 1, 2, 3, 5 & 10T Capacity

Geared Beam Trolley

1, 2, 3, 5, 10, 20 & 30T Capacity

- All-steel construction with powder-coated or zinc-plated finish
- Individual test certificates & serial numbers
- USA Push Beam Trolleys feature patented design

OZ LIFTING
PRODUCTS

OZ LIFTING DYNO-HOIST

DYNO-HOIST®

0.75, 1.5, 3, 6 & 9T Capacity

- Integrated dynamometer
- Displays weight in kg. or lb. and "OVER" when 126% rated capacity of hoist is reached
- All-steel construction with powder-coated finish
- Individual test certificates & serial numbers

OZ LIFTING
PRODUCTS

OZ LIFTING SPARK RESISTANT SERIES

SPARK RESISTANT SERIES

Chain Hoists

0.5, 1, 2, 3, 5 & 10T Capacity

Push Beam Trolleys

0.5, 1, 2, 3, 5 & 10T Capacity

- Meets ATEX94/9/EC (EX II2 GD c IIIC T135°C) standards
- Anti-spark coated body
- Copper-plated hooks/trolley wheels & bail
- Individual test certificates & serial numbers
